*Essence of mother's love in every creation*

**THIS IS MADE FOR YOU**

This Gift Carries a Story  
Made with love. Given with purpose.  
This gift from your loved one has supported the life of  
a former beedi worker — a mother  
From rolling beedis in silence  
to building businesses with pride—

She rises.  
Not just a product—  
Each creation is her pride, her healing, her rise.

Thank you for being part of this journey.
